LOCAL STORES REMAIN OPEN FRIDAY NIGHT

JUSTICE OF PEACE MARTIN WALSH SWORN INTO OFFICE; WILL HOLD TEMPORARY COURT AT HIS HOME

Attorney Martin S. Walsh of Campbell was sworn in Monday morning to complete the unexpired term of former Justice of the Peace John D. Blaine, whose resignation was effective August 1. Walsh, who as Justice of the Peace-elect, would have assumed office the first of next year, took his oath as administered by Deputy County Clerk John Cassera.

Judge Walsh announced he will hold court temporarily at his home, 300 N. Harrison Avenue, until he can locate a suitable office in the center of town. When he finds such an office, he will have a full-time clerk to handle court business when he is absent and to conduct other clerk's duties of the court. Anyone wishing to offer such space is asked to notify Judge Walsh.

Walsh was appointed to the office by the County Board of Supervisors on Monday. His first job was to assess two parking fines against violators of the county parking ordinance in effect in Campbell.

As a result of his double title of present Justice of the Peace and Justice of the Peace-elect, Judge Walsh has had to file two bonds, each for \$1000. The first he filed about a month ago after his election to the post. The second was required after his appointment Monday.

FORMER JP

The new justice is a long time resident of this area, and a native of Santa Clara Valley. He attended schools in Santa Clara and was graduated from the University of Santa Clara law school. He has practiced law in this area for many years and is a former Justice of the Peace of the City of Santa Clara. He is a member of the State and County Bar Associations.

School District Summer Remodeling Program Provides Temporary Relief

More classroom space is one of the more important needs of the Campbell Union School District, Superintendent William C. Henley said yesterday in regard to the summer remodeling program now under way in the schools.

Henley said that an over-capacity enrollment is expected in September and temporary classrooms are being readied for eight additional classes.

At Moorpark and San Tomas schools the large unfinished rooms will be made available for the fall session by dividing the space with temporary folding partitions. The Scout House on the Campbell School campus will be used to provide facilities for two extra classes expected.

These temporary measures are necessary, Henley continued, until the district receives money to complete the unfinished buildings and construct new buildings to take care of increased enrollment.

Campbell Union School District has an application on file for funds to help finance a building program. The application is now pending in the State Department of Finance.

The remodeling program now in progress at the Campbell Grammar School also includes changes mandatory under modern code standards as required by the fire marshal.

Secondary electrical circuits in the main building are being rewired. An automatic sprinkler system is being installed in the auditorium stage area plus additional exits in the auditorium and cafeteria. Panic hardware will be put on all outside doors.

A summer cleaning and painting job that includes scrubbing, sealing, and re waxing of all floors is being done in all schools. Certain areas of the Campbell school have been reroofed. Henley said some grading is also scheduled for the Moorpark school.

RUTHERFORDS ENTERTAIN

Mr. and Mrs. David Rutherford entertained Dr. and Mrs. Glen Mayer, and daughter, Pattie, of Lindsay last month. Also houseguests of the Rutherford family at the time were Dr. and Mrs. Thomas Wileman of Loma Linda.

Mrs. Rutherford and sons, Bruce 3, and Warren, 8 months, have just returned from a five-day visit to Dinuba. The trio visited Mrs. Rutherford's sister, Mrs. Charles Wileman.

Plenty Service At New Serve Urself Gas Station

Self-service at a saving in the gasoline line has come to this area with opening of the Thrifty Plaza Self-Service Gas Station across from the Thrifty Plaza Market 2 miles north on San Jose-Los Gatos Road.

Although the self-service is designed to save motorists money on their price of gas per gallon, owner Don Chirco and his crew of four experienced operators gallantly serve the ladies for the same low price.

Convenient hours for the early or late motorist are offered, since the station remains open from 7 a.m. to 10 p.m. each day of the week. There's no pileup, with six pumps serving customers good Navy Gas. Modern pylon lighting equipment provides next-to-day-light lighting during after dark station hours.

In addition to the gas pumps, the station offers oil change service.

A top feature of service to customers at this up-to-date service station is Chirco's offer to gas up shoppers' cars and provide the parking while his customers patronize the market across the street.

Modern, neat and spic and span rest rooms are provided for station customers.

Pictured above are Gilbert Johnson, left, and Ned Gault, two local Boy Scouts who recently returned from the Second Annual Boy Scout Jamboree held at Valley Forge, Pa. The boys were chosen from their respective troops for contributions and efforts put forth on behalf of their troop. After a week's stay at the Jamboree, the entire contingent of scouts and leaders toured the country, and Canada, visiting noted sights and places.

Teachers To Hold Pre-School Meet At High School

Administrative personnel of the Campbell Union School District will meet Wednesday, August 16, in the Administration building to prepare final plans and arrangements for pre-school meetings of teachers.

At these meetings new teachers get acquainted with faculty members and become oriented with classroom and campus procedure.

The arrangement of buildings and rooms will be discussed also at the meeting Wednesday. School term starts September 18.

Reed Hughes' Sister-in-Law Dies In Alhambra

Reed Hughes, operator of the Campbell Fountain and Grill, was called to Alhambra recently following the death of his sister-in-law, Mary Hughes. She was the wife of N. C. Hughes of Alhambra.

Reed and his son, J. D. Hughes, returned here the following day after attending the funeral services in the southern California community.

of the grange committee: Mr. and Mrs. Mervyn Keesling, Mrs. Alice Reynolds, Mrs. Charles Bradley, and Mr. and Mrs. R. L. Root.

Legion Delegates To Leave August 15 For Sacramento

Delegates from Campbell Post 596 to the Department American Legion convention to be held in Sacramento August 13 to 16 include Commander Ed Lee, Guy Smith and Rex Kaber.

Plans are also being made by members of the post to send delegates to the National American Legion convention which will be held in Los Angeles, October 9 to 12. Commander Ed Lee will head the group which will include Adjutant Maurice Burke, Rex Kaber, and Marvin Wittler.

Summer School Orchestra Plays

The first performance of the Campbell Summer School Orchestra was presented to members of the Rotary Club at their regular meeting Monday.

Under the direction of Richard Gordon, the orchestra offered four selections. They were "Alta Turoa" by Schmidt, "Petit Bourree" by de Prose, "Poem" by Fibich and "The Three Trees." The last, a humorous story with musical accompaniment, is one of Gordon's personal compositions for elementary school musicians.

Miss Joyce Gomes was featured as violin soloist, capably rendering Gabriel - Marie's "The Golden Wedding."

The concert was arranged by program chairman, Les Harmon. Tony Raffanti, chairman of the barbecue committee, announced at the luncheon meeting preceding the musical program, that the club's barbecue date has been set for August 21. Additional details will be announced at the next regular meeting.

Presiding Officer, William Maderis, welcomed 24 visiting Rotarians, including groups from San Jose, Los Gatos, Santa Clara and Beverly-Burbank. Among those present was Vice-Admiral (Ret.) USN, Charles A. Lockwood, former commander of the Pacific Fleet submarines. He is now a member of the Los Gatos Rotary club.

Sarah M. Lynden Passes Away After Lengthy Illness

Funeral services will be held Saturday morning, August 12, at 10:30 a.m. from the Campbell Methodist Church for Mrs. Sarah M. Lynden, who passed away Wednesday at a rest home near Saratoga following a long illness.

The wife of John R. Lynden, prominent businessman, she was a native of Ireland and met her husband, also a native of Ireland, in San Francisco, just before the 1906 earthquake and fire. They were married in San Francisco and went through the 1906 disaster in the early months of their marriage. She was an active member of the Campbell Methodist church before her illness and also worked for Liberty Bond drives during the first World War. The Lyndens have lived in the Campbell area since 1924, making their home at 590 San Jose-Los Gatos road.

Services at the Campbell Methodist church will be conducted by Rev. F. C. Farr of Santa Cruz, former pastor of the church, and the Rev. Lawrence J. Osborne, present church pastor. During the services two numbers will be sung by the Rev. Joyce W. Farr, pastor of the First Methodist Church of San Jose and Mrs. Lynden's son-in-law. He will sing "Crossing the Bar" and "Abide With Me." The Rev. Joyce W. Farr will also conduct graveside rites at the Cypress Lawn Cemetery, Colma.

Besides her husband, Mrs. Lynden leaves two sons, John R. Lynden Jr., of San Mateo, an oil firm executive; and Richard Lynden of San Francisco, an official in the CIO Warehouseman's Local No. 6, and a daughter, Mrs. Joyce W. Farr of San Jose.

She also leaves nine grandchildren.

Funeral services are in charge of a San Jose funeral home. Mrs. Lynden was 77 years, 4 months and 13 days old at the time of her death.

\$25 Merchandise Order To Be Awarded Every Friday Night

Friday night, August 11, sees the inauguration of the Campbell Friday Night Shopping till 9, with many stores in the Campbell area agreeing to stay open from 6 until 9 for the benefit of late shoppers who work all day and are unable to get downtown during the regular shopping time.

VFW LAUNCHES CHARTER DRIVE FOR MEMBERSHIP

Plans for a membership drive during the remaining weeks for enrollment on the charter list were formulated Friday at the meeting of Lt. Byron C. Lanphear Post 6305, Veterans of Foreign Wars. Veterans who are eligible, as a result of overseas service, are again urged to contact post members so that they may be included in that list before it is closed on September 17.

Preliminary moves toward post ownership of a local building were taken at the previous meeting when a five-man committee was appointed to investigate sites and prices in various Campbell area locations. Some offers already have been made, but no definite action has been taken.

Twelfth District Commander Ed Wetterstrom was present Friday night and reported that the new VFW building in San Jose is nearly completed and will be occupied soon by both Hugh and Thomas Johnson Post and Major Randolph T. Zane post of that city. It is owned and was built by the two posts and their auxiliaries.

Ladies of the Campbell post auxiliary reported a successful patio party was held at the home of Mrs. Charles Chubb and that both groups received honorable mention for their entries in the Beverly-Burbank Jamboree parade last month.

The post's team is holding second place in a tie with American Legion Post team in the Campbell Softball League play. Manager Charles Chubb predicted the VFW team will be in the final playoffs. Plans for an entry in the hardball winter league are also in the making, as are basketball and bowling team arrangements.

Next post and auxiliary meeting will be on Friday, August 18, in the library clubrooms. Veterans are invited to attend and join the group. Only 30 days remain for inclusion in the charter list.

Local Adentists Participate In 12-Day Conference

Sixty-five members of the Campbell Seventh - Day Adventist Church participated in the recent international conference in San Francisco.

Attendance at the 12-day session, according to reports given by Caesar Bufano, local pastor, broke all San Francisco convention records for a single day on each of the Saturdays, when more than 21,000 people crowded into the Civic Auditorium for Sabbath Services, the Fox theater and the Memorial Opera House.

Dominating the conference program, he told members here, was the idea that the gospel of Christ must be quickly carried to every nation of earth. Colorful and spectacular panoramas, the pastor continued, were staged daily by foreign delegations, featuring world-wide needs and opportunities, and portraying tremendous gains made by the church everywhere.

Governor Earl Warren of California, addressing the delegates in an opening session, commended Adventists for their work of peace and called for the prayers of all Christians and a greater pressing of evangelism.

More than \$325,000 was raised in a single missions offering taken on the final day of the conference, Pastor Bufano said. In an appeal for sacrificial giving, W. H. Branson, newly-elected World General Conference President declared that the world crisis just ahead calls for the hope and comfort of the Biblical teaching of the second coming of Christ.

Climax of the evening will be the drawing of a \$25 merchandise order at Hubert's Furniture Store at 9:15 p.m. this evening. The winner will be the holder of a ticket obtained from the following list of merchants who have each contributed \$5 toward the expenses of the promotional plan.

J&A Market, Campbell Press, Burnett Appliance, Horace's Store, Campbell Hardware, Jeffers Men and Boys Wear, Star Family Shoe Store, Helen's Juvenile Shop, Dolly Ann Shop, M&M Ice Cream, Rachel's Women's Wear, Lico Market, Clark's Drug Store, House of Carpets, and Hubert's Furniture.

FLASH!

Just before going to press the Campbell Press learned that Charline Kuykendall, 93 Harrison was awarded the \$25 merchandise order given as this week's prize.

Holder of the lucky ticket may spend the \$25 merchandise order with any merchant or professional man in the Campbell area, which includes San Tomas and Cambrian.

For the first week of this program, committee members headed by Joe Fusaro, collected \$75 from contributing merchants with 10 percent of that amount being set aside to help defray expenses.

Expenses so far for the merchants plan, which is under the auspices of the Campbell Chamber of Commerce, included 1500 tickets at a cost of \$5.00. Usual cost of printing is \$12.50. Two hundred poster cards were printed the cost of which was contributed by the Campbell Press. The cash award came to \$25 and a running ad in the Campbell Press and the Shoppers Guide amounted to \$37.50, bringing the total cost to \$75.

A permanent working committee for the shopping plan has been set up and includes Joe Fusaro, of J&A Market, chairman, assisted by Norman Corvello, Campbell Hardware; Hank Sanfilippo, Star Family Shoe Store; Mary Ann DeRose, Dolly Ann Women's Wear Shop, D. B. Beltz, Western Auto; and Fred Jones Jr., of Jones Chevrolet Service. The committee was chosen to represent a complete cross-section of business in Campbell, and also to give coverage in each block of the business section.

Committee members will meet at 8 p.m. each Tuesday night at the office of the Campbell Press to arrange details of the weekly place of drawing and other incidentals pertaining to this committee work.

Any merchant wishing to participate in the Friday night merchandise deal is asked to contact Forrest Reese, secretary-manager of the Campbell Chamber of Commerce, at the Campbell Press office.

Barnes Elected New President Of Campbell C. of C.

On the basis of votes counted Wednesday, August 9, by officials of the Campbell Chamber of Commerce, it was announced that Eugene W. Barnes has been elected as president of the Chamber to serve during the next year.

Other new officers for the year include L. E. "Bill" Means, vice-president; Arthur Mayo, treasurer, and Ollie Jensen and Joaquin Payne, directors.

Jensen and Payne will serve for three years and replace Laurence J. Hill and Frank Accardi, whose terms have expired.

Newly-elected president Barnes stated that a date for a meeting of the Chamber would be announced in the near future and that committees will be named to serve during the coming year.

Jean Catherine Gilson Married To Charles F. Livingston Jr. Sunday

Jean Catherine Gilson, daughter of Mrs. Elizabeth Gilson of 176 Sunnyside Avenue, became the bride of Charles F. Livingston Jr., Sunday at 2 p.m. in a wedding ceremony performed at St. Lucy's Church by the Rev. Denis Kenneley. The bridegroom is the son of Mr. and Mrs. Charles F. Livingston.

Berkeley Gilson gave his sister in marriage. She wore a gray suit with navy blue accessories and a corsage of green and white orchids.

Miss Martha Machado, the maid of honor, wore a Navy blue suit with matching accessories. Her bouquet was of red carnations. Lester Breeding was the best man, while John Breeding Jr., ushered the guests to their seats. Following the wedding, a reception attended by 150 guests, was held at Hotel Sainte Claire, San Jose, where the couple cut the four-tiered cake in the patio.

The couple will make their future home in Los Gatos. Mr. Livingston graduated from Campbell High School and served with the U. S. Army in Japan. He is employed at the International Minerals and Chemical plant on the Monterey highway, and is affiliated with the Odd Fellows. His bride has been with the plant department of the Pacific Telephone and Telegraph Company.

Rummage Sale August 22

A rummage sale is being planned by members of the Orchard City Home Economics Club to be held August 22 in the IOOF building. Mrs. M. S. Walsh, chairman for the affair, asked that any Grange members or friends having rummage to donate to the sale, please leave it at the hall on the day of the sale.

Guild Groups Plan Rummage

A rummage sale will be held by the Campbell Congregational Church Guild Groups at their recently completed new room on August 31, September 1 and 2 inclusive 10 a.m. to 5:30 p.m.

The date for the Congregational church annual bazaar has been set for November 17, it was announced.

The CAMPBELL Register

Saturday, August 5, marked an eventful day in the life of MRS. VERA E. TAVERNESE of 349 N. Harrison Avenue. It was then that her sister, MRS. JOHN NOEL of St. John, New Brunswick, Canada, arrived in Campbell for the first meeting of the two in 28 years. Mrs. Tavernese and her son, ROBERT CAMERON, moved to Campbell last November. Her sister is her only living relative. Mrs. Noel will visit for about a month.

Mrs. Rose Hanger is at present visiting with her daughter, Mrs. Willard Farr of Salinas.

MR. AND MRS. W. CHANEY left Friday afternoon, August 11, for Port Angeles, Washington, where they will spend a week visiting with Mr. Chaney's father, Robert Chaney. On the way they plan to visit Mr. Chaney's mother, Mrs. Maud Keller. Mr. Chaney is employed as bookkeeper at the Campbell Press office.

Kenneth Peake of Quito Road was featured in an article in the recent PG&E Progress as a small farmer who has achieved success. Peake, who operates the Caravale Guernsey Farm, is the son of Mrs. Florine Peake.

MR. AND MRS. ELMER HOERLER returned recently from a trip up the Redwood Highway and Oregon Coast Highway to Tillamook and then along the Columbia River Highway. They also enjoyed side trips to Salt Lake City where

they visited their daughter and returned to California by way of Lake Tahoe.

Mr. and Mrs. Mervyn Keesling are at home again following a recent tour with their trailer thru seven northwestern states. While away they visited Yellowstone Park, Grand Coulee Dam, Bonneville Dam and the Tillamook Cheese plant.

MRS. N. E. SAUNDERS has been visiting here for two weeks at the home of her brother-in-law and family, MR. AND MRS. REX V. SAUNDERS, 31 S. Third Street. Her husband is publisher of the Tuscola, Illinois, Review, where Mr. and Mrs. Saunders live. The visitor is a former Campbell resident.

RELFE S. EHRET of Campbell won first place in the color slide competition at a recent meeting of the Camaraderie Club at Calvary Methodist Church, San Jose. RITA EHRET tied with Marvin Graham for second place, and the Ehrets tied for second honorable mention.

FRANCES HORTON of Campbell was one of 10 pupils from the Chandler Tripp School for Crippled Children who flew in a chartered plane to the Easter Seal Camp in San Bernardino County Monday. The youngsters will be at the camp for two weeks.

MR. AND MRS. GEORGE W. SIMMONS of Orange Cove were guests of MRS. LUELLA RYAN and son this past week. The Simmons returned to their home on Saturday after an extended vacation trip along the coast.

MISS SUE DENTON and MRS. GERALD CHAFIN of Luxora, Arkansas, are visiting MR. AND MRS. PHILIP GRAY of 110 N. Third Street. Mrs. Gray, who is the sister of Miss Denton, will accompany the visitors on their return to Arkansas and will visit in that state for about a month.

MRS. W. W. WELLS and her daughter, DIANE, of Los Angeles, visited with Mrs. Wells' sisters, MRS. MERLIN BOHNETT of the Oakland Highway and MRS. HOWARD LILLINGSTON, Old Orchard Road, last week. They were joined on Saturday by MR. WELLS and on the first of the week they continued north for a vacation. Mrs. Wells suffered a broken arm while visiting here.

Visiting with MR. AND MRS. TOM BURNETT is Mrs. Burnett's mother, MRS. ELIZABETH BEDWELL of Culver City. On Sunday, the Burnetts traveled to the city to attend the gift show, and while

there saw MR. AND MRS. BILL MEANS.

MRS. LOUISE TORDT returned early this week from a week's vacation spent up the Redwood Highway.

MRS. WILLIAM BURCH and daughter SUSAN of Hawthorne Avenue spent last week vacationing at Russian River. They were joined over the weekend by MR. BURCH.

Visiting recently with MR. AND MRS. C. M. CLEVER of Sunnyside Avenue were Mrs. Clever's sister, Mrs. Barton Wood and two children, ROBIN and KRISTIN, of Amador City.

Enjoying last weekend at Yosemite were MRS. REX KABER, MRS. JOE PITKIN, Mrs. Kaber's guest, MISS EMILY KELLY of Philadelphia and MRS. BARTH O'BRIEN.

Leaving for Sacramento on Sunday will be MRS. REX KABER, MRS. L. C. FAIRCHILD and MRS. ARTHUR SMITH, who will attend the American Legion Auxiliary convention as delegates from the Campbell Auxiliary No. 596.

MR. AND MRS. L. J. HILL and son, ARTHUR, spent last week vacationing in Yosemite where they spent the time horseback riding and bike riding. While there, the Hills stayed at Yosemite Lodge.

MISS CHARLENE KUYKEN-DALL will leave Friday evening for Willow Creek where she will serve as a bridesmaid for her friend, Esther Ann Brandley, who will be married Saturday evening. Charlene plans to be back at work Tuesday.

LEGAL NOTICE

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did, by a resolution thereof adopted on the 2nd day of August, 1950, approve certain proposed amendments to Ordinance No. 84 of said County, which proposed amendments will establish official plan lines along Santa Clara-Los Gatos Road from Latimer Avenue to Hacienda Avenue, and did recommend that the Board of Supervisors of said County adopt the same, which proposed amendments consist of the proposed addition of said ordinance of a section map entitled, "Tenth Unit of the Street and Highway Plan, being a part of the Master Plan of the County of Santa Clara, State of California," and a map entitled "Official Plan Lines of Santa Clara-Los Gatos Road from Latimer Avenue to Hacienda Avenue, being a part of the Street and Highway Plan of the Master Plan of the County of Santa Clara, State of California," together with all notations, information and data contained on said maps certified copies of which maps are on file in the office of the County Clerk in the Courthouse, San Jose, California, attached to a certified copy of said resolution to which maps reference is hereby made for the particulars thereof.

NOTICE IS HEREBY FURTHER GIVEN that said Board of Supervisors has set a certain time and place for a public hearing on said proposed amendments, at which time and place any and all persons interested therein may appear and be heard thereon, which time and place is as follows:

At the hour of 11 a.m. on the 21st day of August, 1950, in the Chambers of the Board of Supervisors in the Courthouse, San Jose, California.

E. T. McGEHEE
County Clerk and ex-officio clerk of the Board of Supervisors, of the County of Santa Clara, State of California.

By: RICHARD OLSON,
Deputy Clerk.

August 11, 1950

CANDIDATES FOR DISASTER

Sunbrowned, freckled face kids romping on playgrounds, vacationing at mountain resorts, or splashing in the hometown swimming pool are, like all Americans, everywhere, candidates for a deadly disease that last year struck 42,000 victims and crippled family finances with tremendous medical bills. Before this summer is over, another record outbreak of heartless poliomyelitis may again strike. When the anxious moments have passed, the victim's family will realize what thousands of others have discovered—individual care for polio patients is the most expensive known.

TELEPHONE 3443

There are two diametrically opposed views concerning the origin of the Korean war. One is that it was stimulated by the Russians on the theory that the United States and its allies would do nothing more than write formal letters of protest; that the North Koreans would overwhelm the ill-equipped South Korean defenders in a couple of weeks or so, and that another nation would easily be added to those within the Kremlin's sphere of influence. If that view is correct, the Russians could not have been more wrong.

The other view is grim. It is that Russia anticipated in advance what we would do, and that it was a deliberate, Kremlin-conceived trap. We would spend our resources in Korea, while Russia contributed nothing to the conflict except some equipment and top leadership. In due time, this view holds, the same thing will happen elsewhere—in Iran, Formosa, perhaps Europe. The West will be forced to spread itself paper thin all around the world. Eventually, it will be bled white, and then Russia, with her strength unimpaired, will move in for the kill.

That view is enough to send chills down any spine. There is no question but what a basic Soviet technique is to have other peoples do the fighting. The Asiatics are particularly useful grist in this kind of a mill. They are fatalistic and fanatical. Human life has small value in their eyes. Americans who have been at the Korean front have all been impressed by one dreadful fact—no matter how many of the enemy are slaughtered, they keep on coming in wave after wave.

However, a strong case can be made on behalf of the view that this time the Kremlin woefully misjudged the temper of the United States. The Korean War has done more than any single thing since World War II to cement the Western nations. The United Nations is no longer just a debating society on the international level—it is a belligerent, and its flag flies in South Korea. The war is a U. N., not merely a U. S. operation.

The most encouraging thing that has happened so far has been the response to Trygve Lie's appeal to the U. N. membership for substantial aid in Korea, including trained ground troops. An impressive list of countries has responded. In many instances, the size of the forces dispatched will necessarily be very small, but the total will be considerable. And, going beyond purely military considerations, the fact that many countries will be physically represented in the actual fighting in Korea must certainly cause some hard thinking in the Politburo. At last, the ranks of the anti-communist world—and it is most of the world—are gathering.

Some time ago Herbert Hoover proposed the creation of a United Nations without Russia and her satellites. This may come about through the force of events. Russia is still a member, of course, but she has small influence now. The great majority of members has served final notice that communist aggression must stop.

THE COUNTRY PRESS SAYS

SANTA FE, N. MEX., NEW MEXICAN—"The U. S. lack of men and weapons in South Korea has raised the question everywhere of what has been done with the huge defense appropriations since the close of the war—At the close of the war it cost \$1900 a year for the maintenance of a soldier—it costs \$4000 now; a bazooka cost \$36.25—\$122 now; a fighter plane \$100 thousand—\$150 thousand now; a tank \$60 thousand—\$120 thousand now; a rifle \$40—\$64 now; a carrier \$65 million—\$120 million now."

ENCINITAS, CALIF., COAST DISPATCH—"Intelligent selling is the very backbone of American industry and commerce, but feverish buying tends to unsettle our economy."

RADFORD, VA., NEWS JOURNAL—"Mr. Miller, former Democratic Governor of Wyoming and former chairman of the National Resources Committee of the Hoover Commission, is of the opinion that the Columbia Valley Authority, as planned by the Federal government, is of utmost concern not only to the people of the northwestern states, but to all Americans. He sees the project as 'one more step in an ambitious plan to socialize the electric power industry as a big stride toward socialism.' This should be especially emphasized while we are deploring the socialistic tendencies and communistic preachments in other parts of the world. We must also be on guard against the infiltration of foreignisms right here in our own country."

"SMALL BUSINESS"

BY C. WILSON HARDER

No sharp increase in production of defense materials for present or possible future fighting fronts, is expected until the fight in Washington is resolved. The proposed "Defense Production Act of 1950" is being subjected to bitter attacks; will be subjected to many more both in the cloakrooms and on the floors of Congress.

Monopolist lobbyists were taken by surprise. Before any emergency arose a mobilization plan was drafted. It provided many comfortable features for monopolies. Among them were such items as immediate suspension of all anti-trust laws, on the excuse that allocation of materials would make this necessary. The underlying motive was to insure that competitive bidding for government defense contracts would not result in true competitive prices. And, of course, there was the thought that temporary suspension of anti-trust laws might attain permanence.

The bill now before Congress, therefore, has given monopolist lobbyists a stiff jolt. They are committing their reserves to the battle. Their success or failure will depend largely on how well and rapidly an organized counter-attack can be mounted by small businessmen.

The bill now states "It is the sense of Congress that small business enterprises be encouraged to make the greatest possible contribution toward achieving the objectives of this Act." The measure then provides that small business be kept informed of the needs; that small and medium business be given fair representation on the business advisory committee; and that necessary exemptions may be made from any part of the act to aid small business.

©National Federation of Independent Business

Monopoly lobbyists would be content to let this language remain, because unsupported, it is merely language. They know that small business also has small capitalization and it requires immediate cash reserves to compete with monopolies for contracts.

But this same bill also provides machinery for the government to make loans, participate in loans, or guarantee loans to small business for production expansion. Furthermore it provides that government financial assistance may be given only when it is not otherwise available on reasonable terms. And as everyone knows, monopolies cannot show they are unable to obtain reasonable loans. The total loans outstanding at any one time would be limited to two billion dollars.

The fight promises to be bitter. If enough pressure is exerted by small manufacturers, the bill can go through as set up. This would result in healthy local payroll, with subsequently healthy local business, widely distributed over the entire nation. There are many reasons why supporters of the bill want it passed.

For one thing they say it would keep small business, the backbone of the national economy, from being destroyed in the emergency. It would also insure widespread distribution of national production so no single atomic bomb blast could knock out the country. It would also prevent again the migration of workers to a few overcrowded centers where inadequate shelter and transportation breeds disease; unhealthy social conditions.

Plan Rummage
Sale August 25, 26

Members of the Women's Society of Christian Service of the Methodist Church were laying the plans this week for a rummage sale to be held August 25-26 in the IOOF building. Chairman for the affair will be Mrs. Clara Baldwin and those wishing to help with the project are urged to call her at 2359. Persons with rummage to donate may call Mrs. Herman Rice at 3320. The sale is an annual affair with the group.

Mrs. Clarence Helmbold is serving as publicity chairman.

CHRISTIAN SCIENCE
LESSON-SERMON

"The fruit of the Spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance; against such there is no law" (Galatians 5:22, 23). These verses will comprise the Golden Text for the Christian Science Lesson-Sermon on the subject "Spirit" to be read Sunday, August 6.

The sermon will include citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, from which the following have been chosen. Acts: "Then Philip went down to the city of Samaria, and preached Christ unto them. And the people with one accord gave heed unto those things which Philip spake, hearing and seeing the miracles which he did. For unclean spirits, crying with loud voice, came out of many that were possessed with them: and many taken with palsies, and that were lame, were healed. And there was great joy in that city" (8:5-8).

Science and Health: "The calm, strong currents of true spirituality, the manifestations of which are health, purity and self-immolation, must deepen human experience, until the beliefs of material existence are seen to be a bald imposition, and sin, disease, and death give everlasting place to the scientific demonstration of divine Spirit and to God's spiritual, perfect man" (p. 99).

Garden Club To Lay Plans For Fair Entry

A round table discussion on the Campbell Garden Club County Fair entry will be the order of the day when members convene Wednesday, August 16, at the What Not store patio at 2 p.m. Mrs. A. Leal and Mrs. F. Heinzen will serve as co-chairmen for the meeting.

Members will also discuss the projected planting of Kwanzan cherry trees in the town of Campbell. According to Mrs. G. Denny Wilson, chairman for the tree planting project, the club is hoping that everyone will plant at least one Kwanzan cherry tree in the curb spaces, so that eventually Campbell will become known as the "cherry town." The Kwanzan

trees are the same trees that are planted in Washington, D.C., and are the most beautiful of the flowering trees. They are extremely hardy and do not require much care and are not subject to many of the ordinary pests. Over 200 of these trees were planted last year by members in Campbell. Mrs. Wilson also stated that the Campbell Nursery, corner of Winchester and Latimer, is planning to stock the trees and will offer them at a special price to Campbell residents. Mrs. Wilson also added that various organizations in the town have agreed to push the Kwanzan cherry tree plantings and that Laurance J. Hill of the Campbell Union High School and William Henley, superintendent of the Campbell Union Grammar Schools, have laid plans for beautifying the school grounds with the flowering cherry trees.

SERVICE NEWS

Increasing role of the Marine Corps in the Pacific was reflected here Thursday in the transfer of TSgt. Karl V. Kludt, Marine recruiter in the San Jose area for the past year. Sergeant Kludt, an aviation electronics technician, was ordered to the Marine Corps Air Station, El Toro, for duty with a Marine aviation unit. Prior to his departure, he resided with his family at 1166 Lick Avenue, San Jose.

He was relieved by Staff Sgt. James O. Doran, a veteran of 9 years in the Marine Corps. Sergeant Doran has been stationed at the San Francisco recruiting office for the past sixteen months. He plans to establish a residence on the deep peninsula in the near future.

On taking charge of the local Marine Corps recruiting office, located at Room 227, Postoffice Building, San Jose, Sgt. Doran announced that, with the ceiling off enlistment quotas, the Marines can now accept every young man between the ages of 17 and 28 who volunteers and meets the physical and mental standards for enlistment.

ment. He stressed the fact that volunteers for the Marine Corps who are eligible for the draft must apply for enlistment before receiving notice to report for their pre-induction physical examinations.

ARCH M. CRAIG JR., son of Mr. and Mrs. A. M. Craig, Rt. 1, Box 273-F, Campbell, was accepted for enlistment in the Regular Navy through the San Jose Recruiting Station.

More About Softball News

(Continued from preceding page)

Shortstop W. Kosich picked a fat pitch deep into right-center. George Sisemore, playing the mid-position, ran far and deep to his left. The runners, confident that the ball was gone for extra bases, calmly circled the bags. At the last moment, Sisemore made the catch of the game, if not the season. He quickly relayed the ball to first to double Burrows who was in the vicinity of second. First sacker Gray then tossed to the keystone sack to triple off Novakich. Three men on a moment before and then, presto, three outs and the game in the hands of IOOF clan.

Campbell hurler, Scortino, held the winners to three hits but in doing so walked thirteen batters and hit two. His opponent was just as effective and wild, walking eight and giving up only two safeties.

Third-baseman Metz of the victors, walked four times in four trips. Teammate Gray strangled three and collected a single in his other trip.

"A" LEAGUE THURSDAY

Mac's Market was pressed to the utmost last night by Maderis Food Center before pushing across the winning run in the last inning to eke out a 2 to 1 win.

After Colla fanned, Sheridan and M. Smith singled. Sheridan tallied the winning marker as Bagliere was safe on an error. Both of the winners' runs were of the tainted variety.

Dutch Johnson's string of shut-out innings was broken in the first frame as the Maderis crew scored on a safety by Fisher.

Club Preparing For County Fair

Vice-chairman Mary Breeding presided at the Aug. 3 meeting of the Home Economics Club of the Cupertino Grange in the absence of Chairman Ruth Blair. Freda Angelo was hostess to the group at her Doyle Road residence. Members discussed plans for the group booth in the women's division of the Santa Clara County Fair.

Next meeting will be held on Thursday, August 31, at Las Casitas Court, Saratoga. Nella Severs will be the hostess.

Matthew Reid Services Held

Matthew Reid, father of Miss Christine Sells of Campbell succumbed August 2 in San Jose at the age of 70. He was the brother of Mrs. Mary Reid Barkley of Pennsylvania, Mrs. Maggie Worley, Mrs. Elizabeth Hill, Mrs. Christina Wyrick, Mrs. Jenny Bielmeier, Mrs. Agnes Logan, John, James, Ronald and Ben Reid, all of Kansas.

He was a native of Pennsylvania. Funeral services were conducted Saturday in San Jose. Interment was at Santa Clara City Cemetery.

Persons Unknown Force Entry Into Local Church

The Saratoga Federated Church was illegally entered last week by a person or persons who gained admission by breaking a window in Douglass Hall.

Rev. Gordon L. King, minister of the church, notified the Santa Clara County Sheriff's office that the entry took place sometime during the night of August 1, or early in the morning of August 2. Nothing was reported missing. Blood spots were found on the floor and carpeting.

Johnson was not as effective as usual, being touched for four hits, and giving up two walks. But he did maintain his astounding strikeout average. He whiffed 14 batters last night to run his total to 65 K's in 32 innings of local competition.

His mound opponents were just as stingy, also allowing only four hits. Austin and Loudon shared pitching chores for the losers with the latter being charged with the defeat.

The win enabled the Macmen to retain sole possession of first place and kept their unbeaten slate intact. In all probability a showdown will occur in the final week of play when they meet the Davenport Electric outfit, the loop's only other undefeated club.

"B" LEAGUE Bettencourt Markets, first half champs, closed in on the present leaders last night by whitewashing VFW, 12 to 0.

After a dismal start this half, the foodsmen have established themselves as formidable threats for a repeat performance.

Led by the five-hit chucking of Helmuth, the victors had no trouble at all. They made a hit per run as three vet errors abetted the cause no end. The issue was settled in the first inning as two runs crossed the plate followed by a third in the ensuing frame. Six markers in the sixth frame eliminated any hopes of revolt the VFW clan might have had.

Pozzi and Shropshire led the marketeers at the bat, each collecting three hits. Pozzi went 3-for-5 while Shropshire has 3-for-4.

WINDOW WISHING with FRANCES

Well, of course the big news in town this week is the getting together of Campbell merchants and agreeing to stay open until 9 p.m. on Friday nights after this, starting—and don't forget, THIS FRIDAY NIGHT, AUGUST 11. This will be the first time that the Friday night shopping will be tried and a big merchandise order will be given away at 9:15 p.m. at Hubert's to some lucky winner who shopped in Campbell between 6 p.m. and 9 p.m. this Friday night, August 11. Free tickets may be obtained from the list of merchants in the ad found on page eight of the Press, so come on downtown tonight and shop at your leisure.

Vacation days are still with us—though fleeing fast. Capture some of those wonderful golden moments with pictures, which will be yours forever to keep. Webbs of San Jose have a complete supply of everything in the photograph

line, as well as being able to expertly finish the pictures after they are taken.

Food prices are going up—there's no getting away from the fact, but by shopping at J&A FOOD MART on E. Campbell Avenue, you'll be able to hold that food budget somewhat in line—for they boast that prices are born there and raised elsewhere. Look over their ad in this week's Press compare their prices—and then you'll know what they are bragging about.

No order is ever neglected at the Southern Lumber Co. at 1402 S. First Street in San Jose, no matter how small or large—it receives prompt attention. And that counts for a lot these days.

The casual or dress-up clothes you need for school or going to work, are obtainable at RACHEL'S, who is also joining the trend in staying open until 9 p.m. Friday. In fact they have a very good special for this Friday evening—something that every high school girl must have to complete her going-back-to-school outfit.

Will polio strike your family this year? If it does, it helps so much to have insurance that will cover the extremely high cost of medical care. J. C. Agostinho can help you get that insurance as well as other types.

Planning on painting soon? The ORCHARD CITY LUMBER AND HARDWARE CO. have specials on genuine Sherwin-Williams flat tone paint in 8 beautiful shades. They also carry redwood grape stakes for the fence that you've been thinking about putting up around the place.

Hey! Got your deer yet? Deer season opened this week and it really shouldn't have taken all week just to get one little deer—oops—I mean deer. Anyway, when you get it, take it to the CAMPBELL FROZEN FOOD LOCKERS near the Kopper Kettle, and they will validate your deer tag, issue possession permits and process the animal to your orders.

Have you found that refrigerators are suddenly hard to get? Well, at BURNETT'S APPLIANCES, you can get immediate delivery on an International Harvest refrigerator in the 8.7 or 9.5 cubic foot size. They also carry electric ranges and ceramic gifts. And don't forget, they are open until 9 every Friday evening.

It may be summer now, but fall is not far away, and if you've forgotten so soon, it gets cold in fall and winter around here. JEFFERS MEN AND BOYS WEAR has suede jackets for a very reasonable price, which are wonderful for keeping out winter's chill wind, and also horsehide jackets. They also are open until 9 p.m. every Friday night, for your convenience.

Insurance is a wonderful thing—if you have it when you need it—and something to wish you had if you don't have it. L. W. Harmon can fix you up at the CAMPBELL REALTY for almost

Isaac Armstrong Succumbs At 92

Isaac A. Armstrong, 92, of 841 Hazelwood Avenue, Campbell, in the San Tomas district, died Tuesday in a San Jose Hospital after a long illness. He was a native of Mississippi.

Funeral services will be conducted tomorrow at 2:30 p.m. from the Rutherford Funeral Home, Campbell. Interment will be in Madrona Cemetery where Mr. Armstrong's wife, the late Rosie Armstrong, is buried.

Mr. Armstrong, who moved to Campbell five years ago, was the father of Virgil Armstrong of Tulsa, Oklahoma; Mrs. Rosalie Gamble of Campbell; Mrs. Bertha Robertson of Sunnyvale, James Armstrong of Los Gatos, Mrs. Chloe Llewellyn of Oklahoma City, Oklahoma; and Perry Armstrong of Campbell.

He was the uncle of Mrs. Maggie Hudson of Jonesboro, Arkansas, and G. W. Armstrong of Calixico. In addition, he leaves 18 grandchildren, 21 great-grandchildren and five great-great-grandchildren.

any kind of insurance you might dream about.

The ROZANNE SHOP in Campbell's Friendly Shopping Center, has just received a new shipment of skirts, sweaters and blouses to help school-minded misses shop early for their school wardrobes. They also carry lingerie, hosiery and dresses. It pays to shop early and have the items tucked away in your closet for the opening day of school.

For spills and chills see the hard tops race at the San Jose Speedway every Saturday night. Located across from the Hillview Golf Course.

The CAMPBELL MARKET, located at 262 E. Campbell Avenue, is undergoing a liquidation sale with 15 percent off on all merchandise. Everything goes, ladies-with-the-purse-strings, so better hurry down.

The GRANNIS FURNITURE company is starting their third year in Campbell and have some outstanding values for this event. You can save yourself time, parking worries and money by stopping at GRANNIS first. And it will pay you to investigate their package deal for a houseful of furniture.

(Continued from Page Six)

WALKATHON PERIL — The "B" league of the Campbell Softball loop offers an interesting and different brand of ball, if not exactly spectacular. That is, if you consider an average of 12 walks per game interesting. It is different, that's for sure.

The old baseball axiom of a walk means a run holds true in the junior division, especially the past few games.

A total of 65 runs were scored in five games played last week and this week. And a total of 62 bases on balls were administered during those games. When we consider that only 44 hits were collected, the saying holds even more water.

The walk is more important and drastic in softball than it is in baseball. The accent is speed, speed, and more speed under the present softball regulations. The pitcher's mound was moved back recently, the advantage still remains with the smoke-ball artist.

A base runner who gets a walk with none out stands an excellent chance of scoring if his team thinks in terms of one run at a time. In this day of low-scoring games, many a contest has been decided by 1-0 or 2-1 scores.

The scarcity of double plays in softball further tends to elevate the importance of a hurler's control. The space between bases, the fleet-footedness of runners, augmented by sacrifice bunts and squeeze plays, all make for the passed batter to circle the bases without the benefit of a single hit.

A base on balls, and a smart team often can and does win many games in the sharpest of leagues.

BY THE WAY — If current standings and play are any indication, Saratoga Merchants of the "A" League will finish the season (both halves) without winning a single game. The cellar-dwelling club has two games left in which to rectify this unfortunate situation.

At first glance, it would appear that the merchants had a pitiful squad. That, in its entirety, is not the case. The Saratoga Merchants have had the misfortune of playing the wrong kind of ball at the right time. Let us elaborate a little.

When an opponent for any given evening is wearing his batting gloves, the merchants follow suit but fail by a few stitches. Maybe the material is not as good, but the merchant is as capable as his

Elizabeth Leeper Dies In Los Gatos

Mrs. Elizabeth Muriel Leeper, 63, who had made her home in Campbell for the past two years, died August 4 at the age of 63, in a Los Gatos rest home. She had been ill for some time. Mrs. Leeper, a former Los Gatos resident, was a native of South Dakota.

Surviving here are her husband, John R. Leeper of Campbell; her daughter, Mrs. Janice Mills, San Jose; sister, Mrs. Margaret Bresie and brothers, Frank H. Adams and William G. Adams, all of Campbell.

Funeral services were conducted Saturday at 2 p.m. from the Melvin Mortuary, Los Gatos, with the Rev. David Todd Gillmor officiating. Interment was at Los Gatos Cemetery.

wares.

For example, we have their most recent game. Sure, they scored 7 runs, an amount sufficient to win many games, but not this one. Their foes outtallied them by marking up 11 runs on the scoreboard.

At the start of the season, the SMs played an exhibition tilt. They held the opposing club to three runs, but they, in turn, scored only two.

It's a fact that they lost some stinkers, but every team, regardless of its prowess, will foul up at times.

The merchants' worst defeat was at the hands of Mac's Market, 16 to 0. With Dutch Johnson pitching a gainst them that night, the score could have read 1-0, 16-0, or 60-0. Johnson was tough to hit, to say the least.

Give and take a few breaks and give and take a few players, the seemingly perennial poop-deck crew may have made their presence felt to a greater degree. Not that the poop deck is bad place to be. Many a gob has swiped many an hour of unmerited shut-eye under its confines.

SOCIAL SECURITY ACT EXPANDED

Barring some hidden block in the production line, Congress and the President should, almost any day now, wheel out a brand new Social Security model for the Nation's use.

Both houses of Congress already have passed slightly differing versions of a broadened Social Security Act and as soon as the differences are ironed out in conference, the completed measure will be forwarded to the President for signature.

Here are the probable highlights, according to Washington observers, of the new act:

COVERAGE

It will cover approximately 4,500,000 self-employed persons, roughly 1,500,000 state and local government employees who do not have pension systems, some 1,000,000 full-time domestics, about 900,000 farm laborers, 600,000 employees of nonprofit institutions, 500,000 outside salesmen, 150,000 American employees of American corporations abroad, and a few other small groups.

At present there are nearly 2,800,000 people receiving Social Security, all told. The average benefit today is \$25 per month.

BENEFITS

Under the Senate version of the new measure, the average monthly payment will be \$48.50. The "Insurance Economic Surveys" gives the following example of how Social Security would work for a man 65 retiring next December.

"This man has averaged \$200 per month on his job since Social Security began 14 years ago. They first figure 40 percent of the first \$50 of his average monthly pay. This amounts to \$20. Then they take 10 percent of the remaining \$150, which is \$15... a 'basic benefit' of \$35 per month. But he also is entitled to a 1 per cent 'increment per year during the period of coverage.' That means his benefit is increased by \$4.90... 14 per cent of \$35... a total of \$49.90. But this is computed under the old system. The worker still hasn't received the increase voted by Congress. To determine this, the Social Security clerk runs the figure \$39.90 through a 'conversion table' and finds the worker is entitled under the new law to \$67.60."

\$80 MAXIMUM

If, as expected, the new Social Security Bill is voted by Congress and approved by the President, it will go into effect after January 1. At that time the government will increase the "basic benefit." The measure also provides that the "taxable base" has been increased to \$3600 to pay for the increased benefits. At present the "base" is \$3000. The difference, according to fiscal experts, is that a person who earns \$300 per month or more and goes the whole route of the Social Security system will have his benefits increased \$7.50. He would receive a maximum benefit of \$80 instead of \$72.50.

In essence, that is a preview of the probable 1950 model Social Act.

\$2000 Loss In Garage Fire

An early morning fire yesterday destroyed a shed-type garage and its contents, including an automobile and approximately \$1500 worth of tools at the W. R. Worden ranch on Herriman Avenue, Saratoga.

Fire Chief Virgil Campbell of the Saratoga Volunteer Fire Department received report of the fire at about 5:30 a.m. Wednesday. As the Volunteers' trucks rolled to the fire scene, they were joined by trucks and crews from the County Fire District Station on Quito Road. The county trucks had been summoned by Private Patrolman Chris Bronzich.

Heavy early fog reflected the flames, causing many residents to believe that the fire was of considerably larger proportions.

In addition to the 1937 De Soto, the tools and the garage, an adjoining shed was so badly damaged by flames that it will have to be demolished. Mrs. Worden stated later. Total damage was estimated at about \$2000.

Neighboring residents, the two Miljevich boys on Cox Avenue, rolled another car, a newer model, from a nearby shed to safety.

Asked the cause of the fire, Mrs. Worden said it is possible that a short in the car's wiring was responsible. The car had shorted out Tuesday while it was parked in town, but the small fire was extinguished and it was believed the trouble had been corrected.

Alma Trio Plays Thrilling Concert; Another Recital Planned August 26

By PETER CALL

In the matter of reviewing last Saturday afternoon's music feast served up at Montalvo to a greater than capacity audience by our own incomparable Alma Trio, this writer becomes somewhat whimsically involved with terminology. The event was programmed as a recital, which according to Webster is a program of music—distinguished from concert. Further investigation reveals, by the same authority, that concert is a matter of musical harmony and concord, as performed by several instruments. Let us no longer regard the product of the Alma Trio as a mere recital. In their obvious respect for each other's artistry and contribution to the whole, Messrs. Adolph Baller, pianist, Roman Totenberg, violinist, and Gabor Rejto, cellist, play concerts of such infinite harmony and concord that their renditions are at all times superlative agreements in euphony.

It was the first of the Trio's summer concerts at Montalvo. In spite of a late change in date which might have caused some conflict with patronage, the great music room with its splendid acoustical conditions was jammed, while dozens of others were seated on the arched piazza. This latter is no disadvantage to late arriving music lovers since three wide doors are open for hearing and seeing.

In reviewing an Alma Trio concert, there is always a strong temptation to draw heavily upon the bromides, the cliches, and high sounding phraseology of the music critics' book, but for those of these hills and valleys of the Saratoga-Los Gatos area who live next door, so to speak, to the Alma Trio, it is sufficient to say the Alma Trio played another superlative and thrilling concert.

Saturday afternoon's performance embraced three long works by Beethoven, Brahms and Dvorak; as usual a program thoughtfully devised to please all the neighbors.

The next concert will be held on Saturday afternoon, August 26, at Montalvo, when the Trio will accede to a pressing request from their public to appear each as a soloist. To this end there will be violin and cello sonatas by Mr. Totenberg and Mr. Rejto, respectively, accompanied, of course, by Mr. Baller, aside from several numbers by the trio. It is hoped that Mr. Baller, too, will be heard alone. Some Bach, please, Mr. Baller.

Tract Restrictions To Be Studied

Although members of the County Planning Commission expressed themselves favorably on application of the Sisters of Presentation to establish and maintain a novitiate in Vasona Heights, the application was taken under advisement for study of tract restrictions, following public hearing on the request Wednesday afternoon.

The Catholic order would locate its novitiate on the Joseph Shaw estate between Wildway and the Southern Pacific right-of-way, being part of Vasona Heights and Buena Vista Heights tracts.

NEIGHBORS OPPOSED
Attorney William L. Mattenberger represented a large group of neighboring property owners who protested the order's application. The attorney pointed out that the Vasona Heights, in which all but 60 feet of the property lies, is restricted to residential use and that establishment of the novitiate would depreciate property values in the area.

Representing the order was L. J. Vetter, who asked immediate approval of the application for use permit, so the sisters could go ahead with purchase plans. He claimed other Catholic orders have been operating similar institutions in California for over 100 years, and that property values had not been reduced.

Saratoga C of C To Hear Report Of Merchant Group

A progress report on activities of the merchants committee will be heard next Monday night at the monthly meeting of the Saratoga Chamber of Commerce in the Federated Church. President Paul W. Crawford will preside. All members and merchants in the community are invited to attend. In addition, there will be a report from the committee in charge of preparing the Saratoga booth for the Santa Clara County Fair.

Coffee Suspects Released On Bail

Sam Saso and Louis Maro, two of the defendants in the \$23,000 coffee theft case, were arraigned Monday before Justice of the Peace John P. Dempsey, on charges of receiving stolen property.

Saso was released on \$2500 cash bail, and Maro under \$5000 property bond. Their preliminary hearing was set for August 21.

The former is accused of buying the 1200 cases of coffee from Victor Suglio and George Alria, and Maro of planning to resell the coffee in San Jose.

Miniature Exhibit Planned For Calif. State Fair

SACRAMENTO—A miniature orchard and vineyard in a brown and gold setting will form the

background for a display of Santa Clara County's varied fruits and wines during California's State Fair, August 31 through September 10.

Under the direction of Kenneth L. Stevens, exhibit supervisor for the county chamber of commerce, work is well under way on the animated display.

Stevens has arranged a tree of mirrors, changes 16 times every bearing prunes, finished in gilt, which revolves slowly on a turntable. On one side of the exhibit will be a mural which, under special lighting and through the use of five minutes. Nearby will be a miniature vineyard.

Trees and grape shrubs are of

natural wood, the entire setting forming a rustic scene against which will be prunes, apricots, pears, grapes and other fruits.

The floor will be covered with inlaid linoleum with the words "Santa Clara County" in the center. The names framed over the exhibit will be in large letters illuminated by concealed lights. Also to be exhibited are all types of berries grown in the valley, many of which are not cultivated elsewhere in the state.

"In picking Trees of Wealth as this years theme," Stevens said, "we wish to recall that many of the fruits now cultivated in California were first

grown in Santa Clara County but we still lead in production." The exhibit is located in the southeast end of the huge Agriculture Building where a majority of the state's 58 counties will have exhibits this year.

Expert JOB PRINTING The CAMPBELL PRESS

POPULAR RECORDS: A few weeks ago I wrote a column complaining about the long titles of the popular tunes—titles such as IF I KNEW YOU WERE COMIN' I'D VE BAKED A CAKE and DOES THE SPEARMINT LOSE ITS FLAVOR ON THE BEDPOST OVER NIGHT? Perhaps the powers that be heeded my complaint for the torchy blues singer Una Mae Carlisle has just cut a disc that is about the ultimate in short titles—top deck is called LONG and the flip is known as GONE (Columbia 3881). Una Mae sings the stirring LONG with fetching and gripping tones — the voice-queers in her toning add a nice touch.

The beautiful ballad JUST SAY I LOVE YOU is one of the best efforts waxed to date by Johnny Desmond. The retentive qualities of the song plus the use of English and Italian lyrics to add dash and Johnny's throbbing, push vocal make this a record that you can listen to over and over (MGM 10753).

Gravely voiced Louis Armstrong is still pitching them hot and heavy. His singing of the French pop classic LA VIE EN ROSE carries a terrific emotional impact (Decca 27113). The effect of piano fingering racing lightly up and down the keyboard, the superb horn work on the haunting theme plus the depth of feeling and sincerity Armstrong puts into his singing makes this version a sure standard.

The perennial favorite Jolie Blon has once again turned up on a disc—SLIPPIN' AROUND WITH JOLIE BLON is the latest activity of this well-known character. Mervin Shiner on Decca 46253, Wesley Tuttle on Coral 64051 and Jesse Rogers on Victor 21-0359 do the honors. I prefer Shiner for his smooth and relaxed vocal work.

GUY LOMBARDO SILVER JU- BILEE ALBUM will awake fond memories in the great multitude of Lombardo fans. This collection (Decca DL 5235) contains eight of the maestro's most popular waxings: St. Louis Blues, You're Driving Me Crazy, Boo-Hoo, A Sailboat In The Moonlight, Swinging in a Hammock, Moonlight Saving Time, Little Dutch Mill and When the Organ Played at Twilight are the highlights from Lombardo's twenty-five years of dance band playing contained in this gilt-edged package.

CHILDREN'S RECORDS: What child isn't fascinated by a magician? MAGESTO THE MAGICIAN is a highly entertaining and original story about a magician who wants to do something nice for boys and girls so he makes everything taste like ice cream—moral of course is that too much of anything is bad. Peter Donald

does an exceptional job on narrating and mimicking backed by clever music (Columbia MJV-71).

CLASSICAL RECORDS: Adults as well as children are fascinated by magicians so FALLA: EL AMOR BRUJO (LOVE THE MAGICIAN) makes a unique appeal (London LLP 203). Falla's sense of color, unusual rhythms, harmonic and melodic twists set the scene for the story of Candelas, a gypsy maiden who is haunted by the spectre of her dead husband and thus is unable to accept the love of a worth while young man, Anthony Collins conducts the London Philharmonic Orchestra in a brilliant and exciting reading of the score. BORODIN: POLOVTSIAN DANCES occupy the second side of this disc. Eduard Van Beinum conducts the London Philharmonic Orchestra and Choir in a thrilling interpretation of these gay and colorful dances from the opera PRINCE IGOR.

The tremendously moving CONCERTO FOR VIOLONCELLO and ORCHESTRA by Sir Edward Elgar is given a powerful and poetic performance by Anthony Pini, violoncello with the London Philharmonic Orchestra under Eduard Van Beinum. This final composition of the celebrated English composer is a work of inspired strength and intensity. There is a tranquility that is deeply moving, an autumnal sadness about this music that weaves a spell about the listener. If your only acquaintance with Elgar has been through the stirring strains of his military music, this Concerto will come as a big surprise. This is the first time a recording of the VIOLONCELLO CONCERTO of Elgar has been available on discs in this country and with such a magnificent recording as this one, it will be a welcome addition to any record library (London OPS 95).

The dependent must have lived in California for five years immediately preceding the date of application, although the deceased veteran himself need never have been a resident of this state. Mr. Davis said the booklet contains a full description of how the program is carried out, and the steps which the applicant for this state benefit should take. Application forms and additional information are available from the Santa Clara County Veterans Service Office, 215 No. 1st St., San Jose.

New Booklet On Education Plan

A new booklet, containing full information about the State of California's program of educational assistance to the widows and children of veterans whose death was due to war service, is now available at Santa Clara County Veterans Service Office, 215 North First street, San Jose, it is announced by John W. Davis. It is published by the State Dept. of Veterans Affairs.

Under the State's program, which has been in effect since 1931, an eligible child or widow of a deceased veteran may receive \$20.00 a month while attending high school or \$40 while in school above the high school level. Widows may receive this assistance for as much as four years; children may continue to receive it as long as they are enrolled in school or until they reach their 27th birthday, whichever occurs first.

The dependent must have lived in California for five years immediately preceding the date of application, although the deceased veteran himself need never have been a resident of this state.

Mr. Davis said the booklet contains a full description of how the program is carried out, and the steps which the applicant for this state benefit should take. Application forms and additional information are available from the Santa Clara County Veterans Service Office, 215 No. 1st St., San Jose.

EARLY BUC'NEERS

Many have tried and many have failed in the quest for bucks in this, the first week of deer season. But evidently the ancient adage about the early bird paid off in the case of Joe Cefalu, Jr. He and his brother Peter, were found near Madrone Springs, a couple of miles this side of Morgan Hills, as the season started early August 7. After a short wait Joe brought down a 100 pound forked horn. A single shot from his 300 Savage did the trick.

Another fortunate nimrod was John Stewart of Catalpa Lane. In the eyes of those who came home empty handed he was fortunate indeed to bring down an 80 pound buck. He was somewhat disappointed and disgusted in his catch, hoping for a larger hunk of venison.

At least 80 pounds of meat in the cooler is better than 180 lbs. of buck running up a ravine.

GOING STRONG—Three of the local softball teams entered in the Santa Clara County District Tournament at Sunnyvale remain unbeaten after the first round of play.

The only club to suffer a defeat in the two-lost-and-out tourney is 5 Spot who lost to Maderis Food Center 3 to 2 in an initial contest. Western Gravel and Leon Terrys retain their positions as Co-favorites. The dopesters, in an pre-tourney gab, established the two local playing teams as odds on choice to win the district play-off.

HOW SOON?—Earlier this season a spokesman for the directors of the Campbell Softball League said that the loop will continue regardless of local attendance support and subsequent game collections.

We believe that if attendance does not perk up, we will not have the same caliber of players in the "A" League the following season, let alone any type of organized softball play.

All year long, sponsors and certain sports minded personnel have been donating time and money in hopes of nursing their baby through its sickly financial spell. How much longer can a few continue this seemingly hopeless task?

True, the league probably will operate next summer. But how long? During the earlier games this season the funds contributed by the fans totaled enough to fill an over-sized peanut. Recently, this has been amended—now one can add another peanut.

Sponsors endorse, a team with the justified anticipation that their names will be seen by softball rooters at the games. Let's see, they say along advertising row to put your business name before the eyes of the public for fruitful results. What's the sense of this procedure if there is no public to read about local sponsors?

No doubt several present sponsors will call it quits after this season ends. What good is a license without a car?

(Continued on Page Seven)

Elliott's Nursery Continues Winning

Elliott's Nursery, local girls' softball team, and reputed to be one of the finest in the state, meets Jim Ellis Sports Shop of Alameda Wednesday to determine the second-half winner of the Inter-County Girls' Softball League.

In the first game of a two-out-of-three series, the locals defeated the sportswomen, 3 to 2.

Wednesday evening, Elliott's came from behind to soundly trim Bradford Welch of San Mateo, 14 to 4. Starting slowly, the victors allowed the visitors to gain a 3 to 2 lead after four and a half innings. But in their bottom fourth, Elliott's tallied three times to grab a lead they never relinquished.

The game was sewed up tighter than a cheap tobacco pouch in the sixth when the flower-sponsored clan blossomed forth with seven runs on five hits and three timely

960 Lucky Nimrods To Hunt Bucks, Doe During Special Season In Tulare

It appears that the deer are always fatter in the other guy's territory. Evidently this is true with local hunters tramping through the woods and hills of Santa Clara County.

The county is one of the few in the state designated as "very good" from a hunting standpoint. Game is plentiful. The feed was green enough, and plenty of water was available, thus making the nearby areas fruitful sources of buxom bucks.

Yet with such intriguing conditions under their noses, many a nimrod will undoubtedly take off for the former Mineral King National Refuge in Tulare County.

A special season has been set to hunt 800 deer of both sexes after local sportsmen, landowners, and State and National agencies agreed the refuge was overpopulated with deer. The aforementioned total will be removed this year to allow the over-browsed range to recover.

The Fish and Game Commission has issued certain specific rules that govern this lottery hunt.

Licensed hunters wishing to participate in this hunt must mail applications to the Commission's temporary field headquarters at Visalia, bearing a postmark not earlier than August 24. The drawing to select 960 eligibles will be held at Visalia in the afternoon of August 28.

Application forms will be available at Division of Fish and Game offices and license agencies. A valid 1950-51 hunting license must be submitted with each mail application, together with the \$1 fee.

The special season was set between 16 and October 15.

During eight periods of three and four days each, up to 120 hunters may shoot one buck or one doe. Checking stations will be maintained during the 30-day season.

As each hunter's application is received at the Visalia license office, it will be serially numbered, and a number token corresponding to the application number dropped in a selection cage. One token will be drawn, and the 959 consecutive numbers following the selected number will be the season's eligible hunters.

Friends who wish to hunt together may mail their applications in one envelope. Their individual applications will be given consecutive serial numbers, assuring their chances of hunting together in the same period, if such numbers are among those chosen. No more than two hunters may mail applications in one envelope.

Campbell Baseball Nine Increases Lead In Rec. Loop

All good things must come to an end, but the Campbell Elementary School baseball team is determined to revise the pessimistic cliché.

With Bob Hill, their stellar moundman, all but invincible, the local nine kept their unbeaten record of eight straight wins alive and increased their first-place effort this week by downing the other two clubs in the Recreation-

Moorpark is in second place with three wins and five losses with San Tomas mired in the cellar, losers in seven games and owners of one win.

Hill, who pitches both softball and hardball in local junior loops, has won seven games for his team thus far. Regardless of a pitcher's ability, he needs a capable team backing him up. Members of the league-leaders are Hill, Leroy Hill, Jimmy Dahms, Bob Plymale, Stewart Young, Bob Cooper, Hodges, Lunt, Webb, Buck, Schraub, Anderson and Hawkins.

With the season more than half complete, if it has first place aspirations, Moorpark must win all its remaining six games while Campbell must lose all six. San Tomas, though out of the race, can play an important role of spoiler. Many of its losses have been the direct result of late-inning rallies that found them going down by one run.

errors. In all, 11 batters faced the Bradley pitcher, Sullivan, that inning.

The locals were led by Sargent who went three-for-four, and Jensen, Groomes, and Lobrovich, who got two-for-four.

Recreation Unit Offers Pet Show At Moreland

A total of 25 prizes will be awarded in 12 classifications at the "Pet Show and Parade" to be held Saturday, August 12, at 6:00 p.m. at the Moreland School under the auspices of the Moreland Summer Recreation Program.

Three grand prizes will be presented to the three best trained animals in the show. According to Mrs. Jane Lagiss, publicity chairman, 30 or more pets are expected to parade their wares before the judges. The animals will be put through various tricks by their individual masters.

The other 11 classifications are: best groomed, best dressed, funniest dressed, youngest, oldest, smallest, biggest, longest tail, longest whiskers, whitest, and blackest.

Mr. Jim Peterson is chairman of the affair. Boy Scouts, under Mr. George Ballantyne, are in charge of the grounds. Following the judging, the weekly pot-luck dinner will be held in the Moreland cafeteria. Mr. and Mrs. Petersen are hosts for the dinner. This week's movies will be furnished by Standard Oil Co. Movies of California scenery, cartoon, and other short subjects will be shown. The filming will last an hour.

Following is the Campbell Softball League schedule for the coming week:

LOCAL SOFTBALL NEWS

"A" LEAGUE—FEL. AUG. 4

A four-run rally in the third inning enabled Davenport Electric to beat Leon Terrys 4 to 1, and remain in the midst of the battle for first place.

The winners started the fortunate frame auspiciously as Johnson, their catcher, powdered a homer. Then three errors and a single by Gelatt pushed across the other three tallies. After that the electricians could muster only two bingles off Sid Rock.

The Terrymen accounted for their only run in the sixth inning when Pontureri, buck short, caught hold of Harris's fastball and rode it for a four-bagger.

"B" LEAGUE

In a close game that saw both teams get six hits apiece, Campbell Hardware edged out the Junior Chamber of Commerce, 7 to 6.

The Harwaremen jumped off to a two-run lead in the second frame on a single by J. Scortino and two walks. They duplicated the score in the third by tallying twice on hits by S. Lipari and N. Wertzell and an error.

The Chambermen reduced the total by scoring a run in their half of the third on a single by Barbaccia and a run-batted-in-rap by Andrews.

Still in their scoring rut, the pots-and-pans boys again pushed across two tallies in the fourth on two hits, two walks and one miscue.

In their half, JCs rallied for four markers to fall one shy of tying the knot. Three passes greatly augmented three basehits in putting them back in the game.

In the final frame the Hardware scored what proved to be the winning run on one hit and accompanying flyballs. Determined but depleted of ability in the finale, the commerce crew got one run and had the tying run on base when the last out was recorded.

"B" LEAGUE—SATURDAY

So far as the Jeffers team was concerned, the winds could have remained high. In their makeup game with VFW, the hapless and winless clan went down to their fifth straight loss as the vets scored an easy win, 11 to 3.

The game originally was scheduled for July 28, but prevailing winds prevented normal playing conditions.

For five and a half innings the game was close and afforded the losers a chance. Going into their bottom half of the fifth, VFW had a 5 to 3 lead. Then they blow the game higher than the proverbial kite by scoring six runs on four hits and two of those ever-present bases-on-balls.

"A" LEAGUE MONDAY

Five Spot fell with a resounding thud from their unbeaten pinnacle as Leon Terrys blasted them by the tune of 11 to 2.

Although the victors could collect only three hits off Hughes, his wildness and generous fielding faults by his mates more than made up for the scarcity of hits amassed.

Hughes walked 11 batters and his support contributed five boots to the cause. No doubt they were taking turns, one for you and one for me. Availability of this nature oft-

en leads to disastrous results.

Terrys were handed three runs in the opening frame as three bases on balls lead directly to the tallies, plus a timely error.

The spotted ones came to life in the fourth and scored twice on four hits. All the runs were earned. In the third and fourth frames, the Terrymen tallied eight times on three hits and the other four boots and three passes.

"B" LEAGUE

Scoring 12 runs on seven walks and two errors in the third frame, Netops outlasted Jeffers, 14 to 7.

With both place-kickers in perfect form, the win enabled Netops to remain the only unbeaten team in the "B" loop. Jeffers loss enabled them to retain their ill honor of being the only club still starving for a taste of victory.

In all, a total of 18 walks were issued, during the stroll-around, plus two hit batsmen. Oh, yes, a vast sum of seven hits were collected. One of these was off Netoppper Boyer, who offset his stuff by lack of control. For example, in the fourth inning when Jeffers scored their seven runs, Boyer passed seven men.

"A" LEAGUE TUESDAY

The Purple Knights with two charges absent, outscored a fully-present Saratoga Merchants crew, 11 to 7.

The moichants, winless this season, got a quick start by scoring seven runs in the opening three innings, but the Purple lancers went ahead in the second on five runs, plus the two marked up in the opener. Thus the score was tied at seven all at the end of three.

From then on the Saratogans played dead dog, kicking up a little dust with two futile singles. The winners won going away, scoring one in the fifth, sixth, and two clinchers in the final frame.

"B" LEAGUE

Led by the two-hit pitching of M. Strong, the American Legion defeated Moorpark in a fast and rugged tussle, 5 to 1.

Strong allowed one hit and one unearned run in the first inning. He gave up the second bingle in the following frame. After that the Moorpark club batters were stalled.

The legionnaires tallied what eventually was the winning run in the fourth inning on a walk and two safeties. Insurance runs were gathered in the two ensuing innings.

"A" LEAGUE (Open—Jr. Loop)

"B" LEAGUE WEDNESDAY

A triple play with the bases loaded and no outs in the final frame enabled the Oddfellows to eke out a 6 to 5 win over the luckless Campbell Hardware crew.

The scene, the stage, and the time made a Frank Merriwell fable seem authentic as the hardwarers had the tying run on third base and the ultimate winning run on second.

Sportsmen's Club Barbecue Depends Upon Success Of Deer Hunt Sunday

An organized hunt with a fat-

buck the prime objective will be held Sunday by members of the Saratoga Sportsmen's Association.

If successful, the club will stage a barbecue dinner with an unfortunate deer the guest of honor.

Approximately 15 hunters will depart for the Saratoga Hills. Sportsmen of the association refused to disclose the precise location, but released the aforementioned general site.

The nimrods will run three hounds before them in fond anticipation. The canines belong to Joseph Boisseranc, who is noted for his success with hunting dogs.

More than 30 sportsmen from Saratoga, Cupertino, Campbell and surrounding towns, gathered at the Garrod Ranch Sunday, July 30, for the club's target shoot. About a third of them were non-members who indicated joining the association.

The shoot was arranged by the Rifle and Pistol Division of the club. Members of this division are August Boisseranc, Clarence Bailey, Dick Melani, Hal Hansen, and

Dick Garrod.

Prior to the shoot, club president Elton Jeffery gave instructions to the participants regarding the manner of handling all firearms.

The shoot included the use of large and small bore rifles, pistols, and shotguns. The members supplied their own shells while the club furnished targets.

Mr. Jeffery also gave a lecture on the perils of smoking in fire-hazard areas.

According to the association, the shoot was a definite success and beyond all probability will be repeated in the near future.

Refreshments were sold at the ranch to coin a little money for the club's treasurer.

Some of the members that engaged in the shoot were Messrs. O'Neil, Jeffery, Edward Moore, Nick Meljovich, Jack Clarke, and the division in charge.

At the association's meeting next week, members will discuss prizes for the largest deer killed this season.
